

## Erin District High School

Erin District High School (EDHS) website: [www.ugdsb.on.ca/edhs](http://www.ugdsb.on.ca/edhs) | Student Population: 600

**THE SCHOOL:** Erin District High School (EDHS) is located in the rural community of Erin. Of all the schools in our district, EDHS is the closest to Toronto – just 75 kilometres from the CN Tower. The staff at EDHS believes in respect and responsibility for oneself and for one's community. We are committed to fostering a learning environment where every student can achieve their full academic potential, while also gaining a strong sense of community and engaging in the practice of good citizenship.

**THE CORE VALUES:** Personal Growth • Positive Relationships • Civic Responsibility

**THE MISSION:** To engage students in the pursuit of academic and personal improvement, while fostering a sense of citizenship.

**THE COMMUNITY:** Erin District High School is unique in Ontario – located in a multi-facility community centre called Centre 2000. The complex houses our school, a nursery school and a senior centre, as well as the public library, an arena, a recreation centre, a community theatre, a dental office and a physio-fitness centre. Located within this dynamic hub of activity, students at Erin District High School interact daily with many members of the community, from preschoolers to senior citizens.
