

# KORTRIGHT HILLS

## Public School

### Overview

Kortright Hills Public School is a JK-8 school located in the south end of Guelph in the Kortright Hills area. Our school yard backs on to Mollison Park. A tennis court, a baseball diamond and playground equipment have been installed. These are all easily accessible to our students from our yard. Classroom teachers make use of these facilities during Physical Education lessons. At Kortright we are a caring and sharing community of learners. We are proud of our school facility and all that it has to offer. We welcome inquiries from parents of prospective students.
