

MITCHELL WOODS

Public School

Overview

Mitchell Woods P.S. is a modern K-8 school which opened in 1999. With approximately 580 students, the school serves a rapidly growing and culturally diverse community. While offering a balanced curriculum, the school features a technologically rich environment with an enhanced student to computer ratio. Highlights include a television studio including monitors in each classroom, and advanced media retrieval system, modular science and technology room, a double gym with stage, instrumental music program, and a modern library resource centre. Many extracurricular activities are available, including a strong athletics program.
