

# WESTMINSTER WOODS

## Public School

### Overview

Westminster Woods PS opened in 2010, and we are home to the Trailblazers. We take to heart our school motto of, *"We lead with respect, and we follow with responsibility."* Our student population is diverse, as there are over 30 different languages spoken by our students, and our students were born in over 30 different countries worldwide.

We have a variety of different clubs, sports, and extra-curricular activities to offer our students. Westminster Woods is a caring community where kindness is modeled, and where we believe in success for all students.
