

ERIN

District High School

Overview

Erin District High School is unique. Centre 2000 is a facility that brings school and community together in a partnership that benefits everyone. By bringing the Wellington County Library, Station Road Nursery School, EWCS Seniors Program, a dentist's office, the Arena and Community Centre, and Community Theater together with E.D.H.S., Erin has created a dynamic hub of activity.

The presence of these organizations and services in our school setting allows students to interact daily with a public ranging from pre-schoolers to senior citizens.
