

**Addendum to the Student Participation Agreement Terms and Conditions for Non- Homestay Participants**

Parties to this Agreement:

**Upper Grand District School Board - International Student Program (UGDSBISP)**

500 Victoria Rd N  
Guelph, Ontario N1E 6K2 Canada

**Parent(s)/Legal Guardian(s) Names** \_\_\_\_\_

**Participant Name:** \_\_\_\_\_ **Participant DOB:** \_\_\_\_\_

This Addendum to the UGDSBISP (the “SPA”) is executed by the Parties on \_\_\_\_\_ (date) in recognition of changes to certain terms of the Student Participation Agreement necessitated by the COVID-19 global pandemic.

**1. Increased Risks:** International travel and study abroad experiences, such as that which Participants engage in with the UGDSBISP, involve certain elements of risk that are more prevalent at this time in light of the ongoing global pandemic. Injuries, illness, or other losses may occur while participating in these activities. The following list includes, but is not limited to, examples of the risks that are increasingly prevalent at this time:

- Risk of contracting of COVID-19 during travel or while in Canada;
- Risk of prolonged illness, injury and/or disability resulting from the contraction of or complications from COVID-19 treatment/medical intervention;
- Risk of illness and/or loss resulting from self-isolation, social distancing and/or pandemic related public health restrictions;
- Sudden and unexpected adjustment to academic programming including but not limited to a transfer to a virtual learning environment should an outbreak of COVID-19 necessitate limits to entry or closure of school buildings;
- Sudden and unexpected adjustment to living circumstances, including but not limited to immediate relocation caused by COVID-19 health concerns;
- Sudden and unexpected changes to experiential learning resulting from an outbreak of COVID-19;
- Unexpected costs related to travel restrictions including limited flight availability or border closures;
- Unexpected time in Canada related to COVID-19 outbreaks.

Losses incurred as a result of the above risks result from the nature of international travel, study, and accommodation programs and can occur without any fault of the Participant, the UGDSB and its trustees, officers, employees, agents, or the facility where the activity is taking place. By choosing to take part in the UGDSBISP, you are accepting the risk as a Participant and/or parent/guardian that the Participant and/or the parent/guardian may incur injury, illness, or loss during enrollment in the Program.

**2. Expectations of Participants SARS-CoV-2 testing:** UGDSBISP will keep you informed about any need for testing for COVID-19 as much as possible, but you should monitor requirements carefully prior to travel. COVID-19 testing may be required in some cases to obtain a visa, to board planes, to transfer in jurisdictions on route to Canada or upon arrival in Canada. Costs for COVID-19 testing are the responsibility of the Participant. A negative COVID-19 test will be required prior to attendance in a school of the UGDSB in the manner identified by UGDSBISP and consistent with Provincial or Municipal Health Authorities. Monitoring during the quarantine period in Canada as well as where self-

isolation might be required and will require the Participant to disclose Personal Health Information to employees and/or agents of UGDSBISP.

3. **Fee adjustment:** The Program participation fees will not be reduced in consideration of changes to the Program, including duration resulting from an early departure date from Ontario, Canada or adjustments to the delivery model for academic programming. Participant and parent/guardians understand that the reduction of the Program length does not generally result in any reduction of Program costs. The costs associated with the Self-Isolation/Quarantine are the responsibility of the Participant and parent/gardian. Should the Participant be required to extend their stay in Canada, which increase associated costs as a result of contracting COVID-19 and/or as a result of a COVID-19 outbreak, the Participant and parent/guardian agree to assume any and all additional costs. The Participant and parent/guardian agree to indemnify and hold harmless UGDSB and/or UGDSBISP its officers, trustees, employees and agents of any and all additional costs that might be associated with the extended stay.
4. **Cancellation:** At any point, and even after confirmation of the final date for travel to Canada, circumstances may change such that the Program may be cancelled or may be cancelled earlier than expected. In this case, any refund amounts, if applicable, will be determined by the terms indicated in the SPA. The Participant and parent/guardian are responsible for any travel costs and are advised to consider the purchase of trip/travel cancellation insurance. The Participant and parent/guardian agree to indemnify and hold harmless UGDSB and/or UGDSBISP its officers, trustees, employees and agents of any and all additional costs that might be associated with additional travel requirements or travel cancellation.
5. **Medical Insurance:** UGDSBISP will provide ongoing support and monitoring to address the needs that Participants and host families may have to face, including those related to COVID-19. Medical costs associated with care for any Participant who contracts COVID-19 while in Canada during the Program are the responsibility of the medical insurance that is included in fees for Participants enrolled in the UGDSBISP. Costs related to parent(s)/ guardian(s) choosing to travel to Canada to care for an ill Participant are the parent(s)/guardian(s)' responsibility. Please refer to [Guardme](#) for detailed coverage information. Participants and parents/guardians are encouraged to explore and consider supplemental health insurance coverage independent from the UGDSBISP.
6. **Pre-Arrival:** Currently, all international students and accompanying family members **must complete**, before their arrival in Canada:
  - 1) The Canadian government's [ArriveCan](#) to provide mandatory travel information required for entry into Canada.
  - 2) The [UGDSBISP Self-Isolation plan](#)
7. **14-Day Quarantine on Arrival to Canada**

At the direction of the Government of Canada, all travellers arriving in Canada must plan for a mandatory 14-day quarantine period, which starts on the date of arrival in Canada.

The Participant and parent/guardian have decided not to make arrangements for the period of the quarantine with the assistance of UGDSBISP. Any costs and expenses associated with the quarantine options are the sole responsibility of the Participant and the parent/guardian. Compliance with the quarantine options are also the sole responsibility of the Participant and the parent/guardian.

The Participant and parent/guardian agree to indemnify and hold harmless UGDSB and/or UGDSBISP its officers, trustees, employees and agents of any and all additional costs and expenses that might be associated with the quarantine options, including but not limited the costs of hotels, meals, travel and any costs related to non-compliance by the Participant with the requirements of quarantine as communicated by the Government of Canada, the Government of Ontario and Municipal government in the area of the Participant's arrival in Canada.

**8. Participant and Parent/Guardian Declaration:**

Please read the following and send this document, duly signed, to:

[international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca)

In consideration of the Participant's enrollment and participation in the UGDSBISP and the additional information that has been provided to ensure that travel and quarantine arrangements are made in an appropriate and timely manner, each of the Participant and his/her parents and/or guardian(s) hereby:

- A. Give permission for the Participant above to participate in the UGDSBISP as stated above.
- B. Acknowledge and agrees to have read the above and accept that by participating in the UGDSBISP, they are assuming all risks of illness, injury, loss damages, costs and expenses identified herein.
- C. Acknowledge and agree to solely and without the guidance of assistance of Canada Homestay, MLI Homestay, or UGDSBISP make any quarantine arrangements required following travel to Canada and take any and all responsibility for the costs and risks associated with the required quarantine upon arrival;
- D. Acknowledge and agree to indemnify UGDSBISP for any additional costs and expenses related to quarantine and/or a prolonged stay or additional travel;
- E. Acknowledge and agrees that the addendum herein forms part of the Participant's Student Participation Agreement (SPA) together will terms and conditions set out therein;
- F. Confirms that they have each read and agree to comply or to cause compliance, as the case may be, with the UGDSBISP Safe Arrivals Protocol (Appendix 1) and Declaration on Departure ("DoD", Appendix 2) herein.
- G. The Participant and parent/guardian acknowledge and consent to the Participant disclosing and to UGDSBISP to collect, use and disclose personal health information. The collection, use and disclosed of personal health information shall be in accordance with the provision of services identified here and in the SAP and consistent with the expectations of Provincial Law. Any questions regarding the collection, use and disclosure of personal health information belonging to the Participant may be directed to [international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca)
- H. Acknowledge and agrees that the consequences of any breach by the Participant of the Declaration on Departure and SAP and/or the Restrictions may include but not be limited to:

- the sickness and/or death of the Participant and others, without recourse to UGDSBISP;
  - immediate expulsion of the Participant from the Participant’s academic programs offered by UGDSBISP without recourse, refund or credit of any fees;
  - the Participant being responsible for completing their quarantine and or self-isolation period in alternative accommodation at the Participant’s expense, subject to the approval of the local Public Health Authorities and / or the Chief Public Health Officer of Canada; and
  - the Participant being subject to additional penalties under Canada’s Quarantine Act and/or as may be required by Provincial and/or Municipal Health Authorities.
- I. Declares the information provided is complete and correct to the best of their knowledge; and that any incorrect or incomplete information by the Participant, his/her parents and/or guardian(s) represents a breach of this Application and is subject to the terms of paragraph E in the SPA.
- J. Acknowledge and agrees that this document is drawn up in English with their consent and without recourse.

**Signed by the Participant and, the Participant’s parent(s)/legal guardian(s) to indicate Quarantine program option that will be followed by Participant.**

## Appendix 1 – Upper Grand District School Board International Student Program (UGDSBISP) Safe Arrival Protocol

The current travel restrictions and quarantine requirements related to the COVID-19 pandemic [mandate that all international travellers complete a 14-day quarantine upon arrival to Canada](#). This Protocol outlines UGDSB's expectations and requirements for both Participants and custodians in Canada to manage this period safely and smoothly.

UGDSBISP's first priority is the health and safety of our Participants and local communities. We are also obligated to follow the regulations and recommendations of various authorities, including the government of Canada, provincial and local public health authorities.

Currently, all international students in the UGDSBISP must complete, before their arrival in Canada:

- 1) The Canadian government's [ArriveCan](#) to provide mandatory travel information required for entry into Canada.
- 2) The [UGDSBISP Self-Isolation plan](#)

Failure to satisfy these requirements is a breach of the Participant's UGDSBISP Student Participation Agreement ("SPA") and the regulations and recommendations of various Canadian governmental authorities and subjects the Participant to additional penalties prescribed by the Canada federal government and other Canadian provincial and local Health Authorities (including but not limited to the penalties proscribed by the Quarantine Act, which include up to 6 months in prison and/or \$750,000 in fines).

### Participant Pre-Departure Plan:

1. Confirm your travel plans with your custodian in Canada, and ensure you have private transportation arrangements established from your point of entry into Canada to the location where you will quarantine. If you need assistance with transportation from the point of entry into Canada to the location you will quarantine, please contact [international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca) for support.
  - Complete the Participant and Parent/Guardian Declaration on Departure and sign this document to confirm your understanding of UGDSBISP's "Safe Arrival" protocols.
2. Communication and Relationship Building
  - Speak to your custodian about expectations, and ask if there is anything they specifically want you to bring to help you during the quarantine.
  - Make sure you are clear about where you will be meeting your host or driver after arriving at the airport.
  - Carry your custodian's cell phone number and/or the transportation provider's phone number – this is important for all arrivals.
3. Quarantine may be physically and mentally challenging for you and you should have a well thought out plan for how you will manage and pass the time during the 14-day quarantine after arrival. There are many online resources to help with this, including <https://www.columbiaspectator.com/spectrum/2020/04/03/how-to-stay-physically-and-mentally-healthy-while-in-quarantine/>.

4. Household and Hotel Isolation and Physical Distancing
  - Read the article: How to [self isolate after travel when you live with other family members](#)
  - Complete daily the [ArriveCan](#) screening requirement.
5. Medical Check / Testing

Participants who are able to obtain a medical clearance letter/certificate and a COVID-19 or antibody test are required to bring it with them when they travel to Canada. Negative COVID-19 tests will not change the requirement to quarantine on arrival; this is mandatory for all travellers arriving into Canada.

A negative COVID-19 test will be required prior to attendance in a school of the UGDSB in the manner identified by UGDSBISP and consistent with Provincial or Municipal Health Authorities.

#### 6. Arrival Plans

All travellers must have downloaded The Canadian government's [ArriveCan](#) to provide mandatory travel information required for entry into Canada.

In addition, the Participant must complete, send and print the Participant and Parent/Guardian Declaration on Departure (Appendix 2) to [international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca) **on the morning of your departure to Canada.**

And, students should be prepared with a documented quarantine plan that considers the [Government of Ontario's advice on how to self-isolate](#).

#### 7. Packing

In addition to regular packing requirements, Participants should also bring –

- 60 disposable face masks OR 30 disposable and 1 cloth face mask
- One large bottle of quality hand sanitizer
- Box of Nitrile gloves
- Thermometer
- Art supplies and music, for activities during quarantine program

In your carry-on luggage, also bring at least 2 masks, several pairs of gloves, a travel-sized bottle of hand-sanitizer and disinfecting wipes.

Please also make sure you have the following documents available when you arrive in your carry-on luggage:

- Passport
- Study permit or permit confirmation document (if you have one)
- Custodianship documents
- Letter of Acceptance from the UGDSB International Student Program
- Homestay profile and contact information, or a printed copy of your reservation, showing your hotel name and address, and airport pickup service
- Contact information sheet for our staff, including [international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca)
- Copy of the Declaration on Departure, signed by yourself (and parents, for minors)
- Print out of Self-Isolation Plan
- Change of clothes for upon arrival to your homestay

While en route to their destination, Participants are expected to:

- Wear a mask and gloves
- Practice physical distancing
- Wash hands frequently
- Use hand sanitizer when necessary
- Sanitize their personal space and high-touch areas such as seat belts and tray tables
- Minimize trips to the washroom (flush the toilet with the seat cover down)
- Touch as few surfaces as possible
- Keep their cell phone charged
- Bring some food as restaurants or stores may be closed
- Bring a refillable water bottle

Participant Arrival Plan:

Upon arrival in Canada the Participant should proceed through the airport while maintaining physical distancing.

The Participant must have the documents outlined under 'Packing' ready to provide to Canada Border Services. The Participant will also be required to undergo a screening by a border services or quarantine officer who assess travellers for symptoms.

Upon arrival at the final destination airport:

- Text your driver and/or host family or contact the hotel bus as instructed
- Wear a fresh mask and gloves
- Pick up baggage while maintaining physical distancing
- Exit the baggage area and go to the location you have previously arranged to meet your driver or host family
- Load your own luggage into the car and sit as far away from the driver as possible

Quarantine (Self-Isolation) Plan:

As part of the Quarantine Act, travelers to Canada are required to self-isolate for 14 days. This means that Participants will have to stay in their own room for 14 days and avoid contact with (keep a 2 metre distance from) others. The homestay family or hotel will provide Participants with food, clean linens, a comfortable room and access to them via text message, FaceTime and other remote communication.

Participant Expectations

- Stay in your room as much as possible and away from others.
- Keep your room well-ventilated and clean – open your window to let the air circulate.
- Practice good hygiene: wash your hands frequently with plain soap and water for at least 20 seconds; use a separate towel, kept away from others; cover your mouth and nose with your elbow when coughing or sneezing, or use a tissue. Avoid coughing into either your hands or into the air. Dispose of used tissues right away into a trash bin and immediately wash your hands.
- Use a separate bathroom. Clean the bathroom regularly with household cleaning products. Flush the toilet with the lid down. In hotels, in accordance with each hotel's "Safe Stay" protocols, clean the bathroom regularly with household cleaning products.

- Clean the bathroom or any other common access areas after every use and clean your living space during quarantine often. Consider protocols for environmental cleaning outlined in [Public Health Ontario's Cleaning and Disinfection for Public Settings guidance document](#).
- Find some time to go outside each day; you can stay in a private place like the yard. Do not go to school or into other public areas. In hotels, always wear a mask outside your room. When using the hotel elevator, ask other guests to let you be alone; outside, you can stay in a private place in the hotel patio.
- Stay connected – text, email, FaceTime with your friends and family.
- Monitor your physical and mental well-being – if you are not feeling well with symptoms that resemble COVID-19, ask your host to help you complete an online self-assessment to determine if you need further assessment or testing.
- Complete daily the [ArriveCan](#) screening requirement.
- Package up your garbage – empty garbage frequently and wash your hands immediately.
- Take care with laundry – the clothes you wore during your flight should be washed immediately and all of your clothes should be washed separately from other people's laundry. You will need to wash and fold your own laundry.
- If you need to be within 2 metres of another person, wear personal protective equipment: a medical mask; disposable gloves; and eye protection.
- Keep your bathroom space clean and disinfected. Clean and disinfect frequently touched surfaces such as doorknobs, countertops, dressers, and other surfaces at least once a day.
- Keep your personal items (toothbrush, cups, cell phone, tablets, laptops, etc.) separate from those belonging to others.
- Eat in your room. Your host or hotel will bring your meals to your room. Leave the dirty dishes outside your door when you are finished. Do not share dishes, drinking glasses, cups, eating utensils.
- Avoid prolonged periods of inactivity.

Participants are reminded that while these instructions and protocols may seem overwhelming, they are here to remind them to be careful of their contact with others during the 14-day quarantine. Your custodian in Canada will help.

Participants are reminded that quarantine (self-isolation) is a requirement of the Quarantine Act and is not optional. **All breaches of the mandatory quarantine period will be reported to Health Canada for follow up and enforcement of the *Quarantine Act*.**

After arriving in Canada, Government of Canada officials will call the Participant to monitor compliance with the mandatory quarantine. The Participant must be prepared to answer calls from 1-855-906-5585 or 613-221-3100. **IMPORTANT:** When contacting you during quarantine to ensure compliance, the Canadian Government will never ask you for financial information.

### **Custodian Expectations**

- Custodian must have completed a specific quarantine plan in advance of the Participant's arrival
- Custodian must ensure that all individuals living at the location of Participant's quarantine have been following all public health guidelines for their area in the 14 days prior to accepting a Participant, and everyone in the home must be free of any COVID-19 symptoms.
- Custodian must actively monitor to ensure the participant(s) are following quarantine requirements (such as staying in their rooms) and report any breaches to [international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca) who will then consult with Health Canada to enforce the *Quarantine Act*.

- Custodian must collect, use, and disclose personal health information maintaining its confidentiality and report any breach of personal health information immediately to [international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca)
- Only one healthy person should provide care.
- Do not share personal items with the Participant, such as toothbrushes, towels, bed linen, utensils and electronic devices.
- Use a separate bathroom from the Participant, if possible, and make sure everyone puts the toilet lid down before flushing.
- Provide participant with necessary cleaning equipment and supplies.
- Practice frequent environment cleaning with consideration of [Public Health Ontario's Cleaning and Disinfection for Public Settings guidance document](#).
- Some people may transmit COVID-19 even though they do not show any symptoms. Wearing a mask, including a non-medical mask or face covering (i.e. constructed to completely cover the nose and mouth without gaping, and secured to the head by ties or ear loops) can help protect others around you.
- Prevent contact with animals, as there have been several reports of people transmitting COVID-19 to their pets.
- If possible, people who are at higher risk of serious illness from COVID-19 should not care for someone with COVID-19. These people include elderly persons, those with chronic medical conditions (e.g. heart disease, diabetes) or compromised immune systems.
- If you need to be within 2 metres of the Participant, wear personal protective equipment: a medical mask; disposable gloves; and eye protection.
- Avoid re-using medical masks or gloves.
- Clean your hands often for at least 20 seconds, especially after contact with the Participant and after removing gloves, face masks and eye protection.
- Dry your hands with disposable paper towels. If not available, use a reusable towel and replace it when it becomes wet.
- You can also remove dirt with a wet wipe and then use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- With some guidance, Participants can be expected to do their own laundry. They should wash the clothes they wore on the flight immediately and keep their laundry separate from the family.

#### Post-Quarantine Expectations of Participants and Families:

- Continue to practice proper, recommended hygiene
- Use proper coughing and sneezing etiquette
- Practice physical distancing when outside of the home, avoid malls, crowded spaces and sports
- Get & stay connected!

#### Additional Considerations:

##### If a Participant develops Symptoms or is Diagnosed

- Contact the UGDSB International Student Program immediately at [international.student@ugdsb.on.ca](mailto:international.student@ugdsb.on.ca)
- Use self-assessment tool at: [ArriveCan](#) and seek medical attention as necessary.
- Keep the Participant in place, in accordance with Public Health direction; or
- Ask parents to come to Canada to care for their child at their expense, if possible.

### Suggested Host Family Supplies:

- Disposable paper towels and regular household cleaning products
- Thermometer
- Hand soap
- Alcohol-based sanitizer containing at least 60% alcohol
- Regular laundry soap
- Hard-surface disinfectant that has a Drug Identification Number (DIN), or if not available, concentrated (5%) liquid bleach and a separate container for dilution
- Appropriate cleaning products for high-touch electronics
- As stated above, Participants are required to bring some PPE with them from home, but hosts should have their own supply on hand for their personal use when interacting with the Participant.

### Definitions:

The Public Health Agency of Canada draws a distinction between the need to quarantine and self-isolate.

- Quarantining is necessary for 14 days if you have no symptoms and any of the following apply: you are returning from travel outside of Canada (mandatory quarantine); or you have been told by the public health authority that you may have been exposed and need to quarantine.
- Self-isolate: You must self-isolate if any of the following apply: you have been diagnosed with COVID-19, or are waiting to hear the results of a lab test for COVID-19; you have symptoms of COVID-19, even if mild; you have been in contact with a suspected, probable or confirmed case of COVID-19; you have been told by public health that you may have been exposed to COVID-19.

This procedure assumes that Participants will meet the requirements to quarantine and self-isolate.
