### **SPECIALIST HIGH SKILLS MAJOR (SHSM) PROGRAMS**

The SHSM program allows students to focus their learning on a skill-set and area of knowledge in a particular sector specific industry while working toward their Ontario Secondary School Diploma. SHSM students will be provided the opportunity to earn certifications and training, at no cost—such as First Aid, CPR, WHMIS, Working at Heights, Smart Serve, Leadership skills, Customer Service Skills, etc. These opportunities can be added to resumes, to help students be better prepared for the post-secondary destination of their choice. Requirements to receive this special designation are specific to each sector but include completing compulsory credits -including a 2 credit Co-op, certifications, reach-ahead experiences and sector partnered experiences. Students successful in the program will receive a SHSM designation on their diploma.

The sectors offered at ODSS in the SHSM program are;

- **Arts & Culture**
- **Business**
- **Construction**
- **Environment**
- **Health & Wellness**
- **Hospitality & Tourism**
- **Transportation**
- **Manufacturing**
