

CENTRE DUFFERIN

District High School

Overview

Centre Dufferin District High School (CDDHS) is located in the town of Shelburne. CDDHS has a proud tradition of academic excellence and extracurricular success. We believe students, staff, parents and the community are partners, working together to ensure the success of each student. We believe in our school motto, Partners learning together, creating successful tomorrows: Purpose and intention equal deep understanding. CDDHS is one of three high schools that run the Upper Grand District School Board's Digital Historian Project. The program offers students the opportunity to learn and apply research and organizational skills while contributing to a digital archive of Dufferin County's veterans and their war stories.
